

To Whom It May Concern:

This is to state that I have known **Mohammad Shariq** for past 2 months, working on the Finlatics Financial Markets Experience Program. FincruX is recognised as a 'Start - Up' by Department of Industry & Internal Trade (DPIIT), Ministry of Commerce & Industry, Government of India. It is one of start - ups selected for the prestigious incubation program at Atal Incubation Centre - NMIMS, supported by the Atal Innovation Mission, under the aegis of NITI Aayog, Government of India

I was supervising Mohammad Shariq for the Finlatics Financial Markets Experience Program. I found Mohammad Shariq to be a very diligent and hardworking market analyst and researcher. Mohammad Shariq has deep interests in finance, and has a unique way of looking at equity markets. The equity markets program was aimed at identifying stocks with high potential. Not only does Mohammad Shariq engage in equity research and analysis but also implements the strategies in real - time. Stock trading ideas given by Mohammad Shariq yield results, proving acumen in equity markets. Mohammad Shariq has executed this program with discipline and consistency.

Mohammad Shariq is keen learner, is receptive to ideas and has huge interests in financial analysis and equity markets.
